

## FACULTY EMPLOYMENT OPPORTUNITY

---

DEPARTMENT OF COUNSELOR EDUCATION AND COUNSELING PSYCHOLOGY  
Marquette University

Tenure-Track Assistant Professor Starting Fall, 2017

### THE UNIVERSITY

Marquette is a Catholic, Jesuit, university located in Milwaukee, Wisconsin. The University is comprised of twelve colleges and schools with a total enrollment of 8300 undergraduate students and 3500 graduate students. Marquette offers 57 doctoral and master's degree programs, and professional programs in the Schools of Dentistry and Law. Marquette employs 638 full-time tenure-track faculty. Central aspects of the mission of the university are the development of the whole student in academic excellence, leadership, service to social justice and faith. Marquette University is located on a beautiful urban campus just minutes from downtown Milwaukee and close to the parks and beaches of Lake Michigan.

### THE DEPARTMENT

The Department of Counselor Education and Counseling Psychology (CECP) is located in the College of Education with 6 full-time faculty members and 63 masters and 22 doctoral students. The Department offers two CACREP-accredited masters degree counseling programs: a 60 hour program in Clinical Mental Health Counseling with optional specializations in Child and Adolescent Counseling and Addictions Counseling, and a 48 hour School Counseling program, as well as an APA accredited doctoral program in Counseling Psychology. All three programs integrate multicultural perspectives, social justice and advocacy throughout the curriculum. All programs are approved by their respective Wisconsin State Regulatory Boards for meeting the educational requirements for licensure.

### DUTIES OF THE POSITION

The department seeks applicants with broad expertise and experience in clinical mental health counseling to teach courses in the counseling core and clinical mental health counseling. Faculty responsibilities include teaching and advising in the counseling programs, maintaining a strong program of research, and participating in professional and community service. Areas of teaching and research interest are open, with preference given to applicants with expertise in one or more of the following areas: addictions, child/adolescent, career, or trauma counseling. In addition, all faculty members contribute to curriculum development, program assessment and other administrative tasks.

## **PROFESSIONAL QUALIFICATIONS**

Candidates must hold an earned doctorate in Counselor Education from a CACREP accredited institution, or hold a related doctoral degree with a minimum of one year of full-time experience teaching in a counselor education program before July 1, 2013. The doctoral degree must be completed by the first day of employment. The successful candidate will have evidence of strong teaching and supervision skills, the ability to establish and maintain a program of research, multicultural counseling competence, and a commitment to social justice advocacy. Immediate eligibility for Wisconsin licensure is desired.

## **RANK AND SALARY**

The appointment will be made at the Assistant Professor level. Salary is competitive and is based on the candidate's qualifications and experience. To be recommended for tenure, the faculty member must demonstrate satisfactory performance in three areas: teaching effectiveness; scholarship and research; and service to the Department, University, and Profession. Tenure at Marquette may be awarded at any time with the typical period for tenure and promotion to Associate Professor of six to seven years.

## **HOW TO APPLY**

Initial review of applications will begin October 28, 2016 and will continue until the position is filled. Applicants are requested to electronically submit a letter of interest specifying qualifications for the position, a CV, unofficial transcripts, and the names, affiliation, e-mail address and phone numbers of 5 professional references through the university job portal at:

<https://employment.marquette.edu/postings/6587>. Candidates who are currently completing doctoral studies should include the name and contact information of their doctoral advisor, as well as address their progress toward degree completion in their cover letter.
